

THE
GEOLOGICAL
SOCIETY
OF AMERICA®

CALL FOR PAPERS

**“Pyrogenic (black) carbon or
biochar in soils and
sediments”**

**2010 GSA
Annual Meeting**

**31 October –3 November 2010
Denver, Colorado USA**

Technical papers are invited for the T54 symposium:

**“Pyrogenic (black) carbon, or biochar, in soils and
sediments, its characterization and fate, its effects on
the carbon cycle and carbon sequestration, and its
effects on soil properties”**

Abstracts are due by August 10, 2010.
