

Technical Panel Discussion

**Constraints and Opportunities in
Moving Biochar and Bioenergy forward
to Decarbonize our Economy**

Panelists

- **Benji Baker**
- **Ken Zwick**
- **Bill Goldner**
- **Wendy Lu McGill**
- **Hannes Gestrich**

Ground Rules

- **Speak your mind – Non-attribution**
- **Feel free to address a question to another panelist**
- **EYA**

1st Round

- **Let's start with brief introductions**
- **Tell us your name and organization and where you sit in the Biochar or Bioenergy space**
- **No more than 1 minute each**

2nd Round

- **List the Top Two challenges or constraints to “moving the needle” forward in your world, from your perspective**
- **We may, or may not, have some overlapping ideas**
- **No more than 4 minutes each**

3rd Round

- **Let's explore potential opportunities**
- **If you were a King or Queen for a day and you could capitalize on only one opportunity in the Biochar or Bioenergy industry, what one opportunity would you seize and make happen?**
- **No more than 3 minutes each**

4th Round

- **Now it's tomorrow and your monarchy is over**
- **Of all of the opportunities that were discussed, which one is the most feasible to get behind and push forward?**
- **No more than 2 minutes each**

Final Comments

- **Are you willing to work together to make these opportunities happen?**
- **Final Thoughts?**
